Acknowledgments

I would like to express my sincere gratitude to the staff of Indiana University and the team at the Center for Languages of the Central Asian Region (CeLCAR) at IU, during my service at CeLCAR for the opportunity to work on this project and their careful oversight of my work on the phrasebook for working with refugees who happen to speak Dari.

I am grateful to Dave Baer for editing and proofreading of the English text and transliteration. Special thanks to Sukhrob Karimov for layout and design.

I also wish to express appreciation to the CeLCAR team in general for publishing this phrasebook.

-Rahman Arman

Pronunciation Guide

The following letters and combination of letters represent the same consonants as in English.

<i>Letter</i>	<i>Sound as In</i>
b	ball
d	doll
f	father
g	get (not “g” as in George)
h	horse
j	jail
k	king
l	lamb
m	man
n	noon

<i>Letter</i>	<i>Sound as In</i>
p	pen
r	ranch
s	summer
t	tall
w	was
y	yolk
z	zip
ch	<u>chair</u>
sh	<u>she</u>
zh	<u>pleasure</u> , <u>measure</u>

The following letters and combination of letters represent the consonant sounds that are not used in English. Their approximate pronunciation and formation is explained below. (IPA=International Phonetic Alphabet.)

q	voiced uvular stop: IPA [q]
gh	voiced uvular fricative: IPA [γ]
kh	voiceless uvular fricative: IPA [x]

The vowels in this chart are used in English.

<i>Vowels</i>	<i>English Examples</i>
i	beet, need
u	pool, too
aa	law, caught: IPA [ɔ:]

The following vowels are pronounced slightly different from their English correspondents.

a	hot, father
o	go, over
e	pet, sell
