Department of Psychological and Brain Sciences Indiana University 1101 E. 10<sup>th</sup> Street, Bloomington, IN 47405 765-237-2222 | alragree@iu.edu

ED	UCA	OITA	N

In Progress Ph.D., Clinical Psychology

Indiana University, Bloomington, IN *Advisor:* Daniel P. Kennedy, Ph.D.

2019 B.A., Psychological and Brain Sciences,

Dartmouth College, Hanover, NH

Cum Laude

Honors Thesis: The Relationship Between Social Working Memory and Characteristics of Autism

Spectrum Disorder

### AWARDS, HONORS, & FELLOWSHIPS

2021-2022	<b>Predoctoral Trainee</b> , Multidisciplinary Program in Developmental Process, Indiana University	
2021	<b>Departmental Summer Fellowship</b> , Department of Psychological and Brain Sciences, Indiana University	
2019	The Lincoln Filene Undergraduate Fellowship in Human Relations, Dartmouth College	
2019	The Escobosa Family Honors Thesis Prize in Recognition of Excellence in Psychology Honors Thesis Writing, Dartmouth College	
2019	High Honors in Psychology, Dartmouth College	

### RESEARCH EXPERIENCE

### 2019-2021

## **Clinical Research Coordinator**

# Pediatric Psychopharmacology and Adult ADHD Program, Massachusetts General Hospital,

Boston, MA

Advisors: Gagan Joshi, MD; Atilla Ceranoglu, MD; Joseph Biederman, MD; Mai Uchida, MD

- Prepared protocols, amendments, annual continuing reviews, and all other reportable events (deviations, adverse events, protocol exceptions) to the Mass General Brigham's Institutional Review Board
- Managed study recruitment for the Pediatric Psychopharmacology and Adult ADHD department and the Alan and Lorraine Bressler Clinical and Research Program for Autism Spectrum Disorder
- Conducted study-specific phone screens, evaluated participant eligibility, obtained informed
  consent for minimal risk protocols, scheduled and tracked subject participation, ordered study
  medication, verified and entered subject data to RedCap, and ensured that all study tasks were
  completed in accordance with the protocol
- Monitored active studies, audited source documentation, and maintained regulatory documents to confirm compliance with state and federal guidelines
- Communicated with researchers at the Massachusetts Institute of Technology to assist with the collection quality data, support data cleaning and analysis, and to write/prepare manuscripts

## 2018-2019 Undergraduate Research Assistant

### Dartmouth Social Neuroscience Lab, Dartmouth College, Hanover, NH

Advisor: Meghan Meyer, Ph.D.

- Recipient of the Lincoln Filene Undergraduate Fellowship in Human Relations (\$3500) to participate in full-time research during the summer of 2018
- Designed and executed an experiment to test social working memory in individuals with autistic traits
- Recruited, consented, and ran participants through the fMRI task

Performed data analysis in Python, R Studio, MATLAB and learned the basics of fMRI scanning

#### 2017-2019 **Undergraduate Research Assistant**

Department of Psychological and Brain Sciences, Dartmouth College, Hanover, NH

Advisor: William Hudenko, Ph.D.

- Analyzed text messages between clinicians and individuals with severe mental health disorders to evaluate remote therapeutic intervention techniques
- Provided input to clinicians to improve therapeutic relationships and identify techniques to produce clinically meaningful change
- Provided mobile interventionists with conversation topics to peak client interest by learning client history and moderating the text messages exchanged between the client and mobile interventionist

#### 2017 Volunteer Research Assistant

# Department of Psychiatry, Dartmouth Hitchcock Medical Center, Lebanon, NH

Advisor: Jonathan D. Lichtenstein, PsyD, MBA

- Coded data to determine the relationship between a novel concussion recovery program and decreased concussion side effects
- Attended lectures and research development committees to stay informed about new research within the concussion field
- Participated in the evaluation of children with disabilities, specifically using the Autism Diagnostic Observation Schedule

### **CLINICAL EXPERIENCE**

#### 2022 Co-Therapist, Indiana University Parent Child Clinic

Department of Psychological and Brain Sciences, Indiana University, Bloomington, IN

Advisor: John Bates, Ph.D.

#### 2018 **Volunteer: Clinical Science Practicum**

Hartford Autism Regional Program, Hartford, VT

Advisor: Jessica Poludin, MDEd, BCBA

- Used Applied Behavior Analysis (ABA) techniques in one-on-one and small-group interaction with students to teach skills in socialization, personal health, academics, and communication
- Observed teachers and learned how to utilize ABA therapy, and identify new therapeutic/behavioral techniques to engage students in learning
- Prepared curriculum and teach students in reading, communication, and physical education

### OTHER PROFESSIONAL & LEADERSHIP EXPERIENCE

#### 2022 NextGen Psych Scholars Program

 Provided mentorship for underrepresented undergraduate and post-baccalaureate students interested in applying for psychology Ph.D. programs

# Coach & Volunteer: Special Olympics Indiana

- Attend weekly team practices to teach individuals with intellectual and developmental disabilities to feel comfortable and confident
- Coordinate with coaching staff and athletes to create individualized goals for athletic competition and weekly practices

### **Board Member: Monroe County Autism Foundation**

Coordinate and execute community outreach events to financially assist individuals and families connected to the Autism Spectrum Disorder and ASD- related issues

# **Institutional Review Board Member**

# Massachusetts General Hospital Institutional Review Board, Boston, MA

- Evaluated initial reviews, continuing reviews, proposed amendments, and any other relevant events submitted from the Department of Psychiatry and Department of Gynecology at Massachusetts General Brigham Hospital
- Ensured all proposals met ICH-GCP guidelines, FDA-guidelines, and institutional guidelines

2022

2023

2020

 Attended monthly meetings and act as a voting member, primary, or secondary reviewer for up to two submissions per meeting
