

JULIO C. POSTIGO, PhD.

Department of Geography, Indiana University
Student Building 120, 701 E. Kirkwood Avenue, Bloomington, IN 47405
jpostigo@iu.edu

EDUCATION

Spring 2012	The University of Texas at Austin	Ph.D. Geography
Summer 2006	The University of Texas at Austin	M.A. Latin American Studies
Spring 1996	Pontifical Catholic University of Peru	B.A. Anthropology

RESEARCH INTERESTS

Andean and Arctic social-ecological systems • Local knowledge • Pastoralism and small farming • Sustainability • Climate Change • Social Dimensions of Global Environmental Change • Adaptation & Resilience • Cultural and Political Ecology • Social, Natural and GIS Methods •

APPOINTMENTS

2020-2022	Intergovernmental Panel on Climate Change (IPCC). Sixth Assessment Report, Working Group II— <i>Impacts, Adaptation and Vulnerability</i> : Lead Author, Chapter 12 <i>Central and South America</i> Contributing Author, Chapter 2 <i>Terrestrial and Freshwater Ecosystems and their Services</i> .
2019-2022	Intergovernmental Panel on Climate Change (IPCC). Sixth Assessment Report, Working Group II— <i>Impacts, Adaptation and Vulnerability</i> : Chapter Scientist, Chapter 2 <i>Terrestrial and Freshwater Ecosystems and their Services</i> .
2020-	Indiana University Director, Minor on Human Dimensions of Global Change
2019-	Indiana University Assistant Professor, Department of Geography
2016-2019	National Opinion Research Center at the University of Chicago Senior Research Scientist
2016-2018	National Opinion Research Center at the University of Chicago Liaison Scientist of the Collaborative Crop Research Program (Andes)
2015-2019	Center for Latin American Studies of the University of Chicago Associate
2015-2016	The McKnight Foundation Liaison Scientist of the Collaborative Crop Research Program (Andes)
2015-2016	Universidad del Pacifico. Assistant Professor (research oriented)

- 2015-2016 **Research Center of the Universidad del Pacifico**
Research Associate
- 2014- **Pontificia Universidad Católica del Peru. Instituto de Ciencias de la Naturaleza, Territorio y Energías Renovables.**
Research Associate.
- 2016-2017 **United Nations Food and Agriculture Organization**
Principal Investigator of the project “Strengthening the resilience of the agrarian sector”
- 2013-2016 **United Nations Food and Agriculture Organization**
Executive Director of the project “Assessments of Climate Change Impacts and Mapping of Vulnerability to Food Insecurity under Climate Change to Strengthen Household Food Security with Livelihoods’ Adaptation Approaches (AMICAF)”
- 2012-2013 **University of Maryland, College Park. National Socio-Environmental Synthesis Center (SESYNC)**
Postdoctoral Research Fellow
- 2001 –2004 Project Manager. Peruvian Center of Social Studies (CEPES). Lima, Peru.
- 2000 – 2004 Adviser to the President and the Executive Director. Peruvian Center of Social Studies (CEPES). Lima, Peru.
- 1999 – 2000 Responsible for the division of Local Institutions and Social Organization. Program for Rural Development of Huancavelica. Center of Study and Promotion of Development (DESCO).
- 1997 –1998 Community Liaison Officer for the Health, Industrial Safety and Environment Department. Peruvian Camisea Project. Bechtel-Cosapi-Odebrecht Consortium.

FUNDING

Grants

- 2020-2023 **Collaborative Research: NNA Track 2: Current and future Arctic vulnerabilities to sea-ice change.** Principal Investigator. Co-PI Laura Landrum (NCAR). National Science Foundation. \$ 249,999.
- 2020-2022 **Visualization 90 years of water tower transformation in the Peruvian Andes.** Co-Principal Investigator with PI Karina Yager (Stony Brook University), and Co-PIs Antone Seimon (Appalachian State University), Tracie Seimon (Wildlife Conservation Society), Ulrich Kamp (University of Michigan-Dearborn). National Geographic Society. \$ 100,000.
- 2020-2023 **Becoming Urban: Understanding the Urban Transformation of Migrants to Phnom Penh.** Co-Principal Investor with PI Sabina Shaikh (University of Chicago), and Co-PIs Alan Kolata (University of Chicago) and Marco Garrido (University of Chicago). Neubauer Collegium for Culture and Society. \$ 140,000.
- 2010 **Rethinking national history in the margins of the state: local narratives in times of conflicts and transformation.** Co-PI with PI Gerardo Damonte (Pontificia Universidad Católica del Perú). SEPHIS Foundation.
- 2005-2005 **Tinker Foundation Research Grant.**

2005-2005 **Summer Research Grant.** Center for Latin American Social Policy (CLASPO). The University of Texas at Austin.

Fellowships

- 2011-2012 **A.D. Huchinson Continuing Fellowship.** The University of Texas at Austin \$ 28,000.
- 2010-2011 Fund Mink'a Chorlavi **Cambio climático en el uso y gestión del agua: las respuestas de las poblaciones excluidas en América Latina y el Caribe.** Project: *Respuestas al cambio climático de los pastores altoandinos de la comunidad campesina Quelcaya, provincia de Carabaya, Puno, Perú.* \$ 14,000.
- 2008-2010 **Fellowship for young scholars from Latin America and the Caribbean.** Fund *Nature, society and territory in Latin America and the Caribbean.* Latin American Council of Social Sciences (CLACSO). \$10,000.
- 2007-2007 **Dissertation Proposal Development Fellowship.** Social Science Research Council. \$ 5,000.
- 2006-2006 **IGERT Fellow.** National Science Foundation
- 2005-2006 **Good Neighbor Scholarship.** The University of Texas at Austin.
- 2005-2006 **Bruton Foundation Continuing Fellowship.**

Awards

- 2012-2012 **World Social Science Fellow.** The International Social Science Council.
- 2012 **Outstanding Dissertation Award.** The University of Texas at Austin. \$ 3000.
- 2012 Visiting Fellow. Program of the IFES-GCOE-INeT. Graduate School of Environmental Science and the Field Science Center for Northern Biosphere. Hokkaido University.
- 2011 Participant in the scientific expedition "Andean-Asian Glacial Lake Expedition to Imja Lake". Khumbu Valley, Nepal.
- 2011 **Travel Award.** 5th Conference of the International Biogeographical Society. Biogeography Specialty Group Crete. \$ 1000.
- 2010 **On the Frontlines of Climate Change.** UNESCO. \$ 5,000.
- 2006-2007 **Geography Graduate Group Award.** University of California, Davis.
- 2006-2007 **Lozano Long Language Component Teaching Assistantship.** The University of Texas at Austin
- 2004-2006 **In-State Tuition Waiver.** The University of Texas at Austin.
- 2004-2005 **Lozano Long Fellowship Award.** The University of Texas at Austin.

INVITED PRESENTATIONS

International

- 2020 *Framing the research in and for the "Andes+ region"* (Keynote at the Conference "Climate Change, Health and Mountain Ecosystems and their Governance in

- Support of Sustainable Development in the Tropical Andes—Central America”, Mountain Research Initiative, University of Zurich, Condesan, virtual, 2020/07/07).
- 2020 *Climate change, land governance and the International Land Coalition in Latin America* (Keynote at the Workshop “Climate Change and Land Governance in Latin America, virtual, 2020/06/16).
- 2019 *Más allá del cambio climático y las montañas: Cambios socio-ambientales en la sierra peruana* (Keynote at the Symposium “The Mountains: Our Future”, the National Institute for Research on Glaciers and Mountain Ecosystems, Cusco, Peru, 2019/12/10).
- 2019 *Límites y barreras en las respuestas del Ministerio de Agricultura frente al ENSO y la roya (Hemileia vastatrix) del café en el Perú* (Workshop Public Policies and Climate Change in Latin America: Research Advances and Perspectives, organized by the Research Center on Tropical Agriculture, Cali, November 26, 2019).
- 2019 *Understanding multi-level institutional dynamics for responding to global change: Insights from the Peruvian Andes* (Cambodia Development Resource Institute, Phnom Penh, January 24, 2019).
- 2016 *Climate change impacts and challenges for Peruvian agriculture* (6th Meeting of The Ocean and Fisheries Working Group—APEC, Arequipa, Peru, 2016/05).
- 2014 *The AMICAF project: Preliminary results* (COP 20, 2014/12/03).
- 2014 *The state of the art of adaptation in the Tropical Andes* (COP 20, 2014/12/09).
- 2014 *Analysis and Mapping of Impacts under Climate Change for Adaptation and Food Security* (World Mountain Forum, Cusco, Peru, 2014/05/23-25).
- 2014 *Analysis and Mapping of Impacts under Climate Change for Adaptation and Food Security* (Peru’s Vice minister of Agrarian Policies, Lima, Peru, 2014/01/13).
- 2013 *Adaptación y Vulnerabilidad de los Sistemas Productivos Andinos: Más allá del cambio climático* (Keynote at the International Conference Desplazamiento Ambiental Derechos Humanos y Cambio Climático, Universidad de Caldas, Manizales, 2013/11/ 6-7).
- 2013 *Land Rights Observatory in the Andes* (Inception meeting of the Global Rangeland Observatory. Amhedabad, India, 2013/06/ 3-6).
- 2012 *Las multi escalares respuestas del sistema socio ecológico pastoril andino frente al cambio climático (CC)* (Conference of Latin American and Caribbean Social Science, Mexico D.F., 2012/11).
- 2012 *Pathways of social-environmental transformation in pastoral social ecological systems in the Global South: A research proposal* (International Symposium ‘Changing Mountain Environments in Asia’, Tribhuvan University (TU) and Hokkaido University (HU), Kathmandu, Nepal, 2012/10).
- 2012 *Social science research on global environmental change and climate change in Latin America* (workshop to prepare the Latin America chapter for the World Social Science Report, Sao Paulo, Brazil, 2012/09).
- 2012 *Discussant* (workshop for a special issue of Feminist Economics on “Land, Gender, and Food Security (LGFS)”, Barcelona, Spain, 2012/06).

- 2012 *Full employment= aquifer depletion + peasants exclusion. Tensions on the development equation* (Green Week Conference, European Commission, Brussels, Belgium, 2012/05).
- 2012 *The multiscalar responses of Andean pastoralism social ecological system (SES) to climate change (CC)* ("Knowledge Gaps: How are you tackling it?", the Tyndall Centre, East Anglia, UK, 2012/04).
- 2012 *Responses of an Andean pastoralist social ecological system to social, political, and climatic changes.* (Plant Ecology Seminar, Earth Science Department, Hokkaido University, Japan, 2012/01).
- 2011 *Local narratives of national land tenure transformations: agrarian reform and land distribution processes amongst Quechua Pastoralists Communities in the Peruvian Altiplano* (Workshop "Rethinking Nation and History: Land and Political Discourses", Lima, Peru, 2011/10).
- 2011 *Social-ecological pastoralist system's responses to socioeconomic, political, and climatic changes in Quelcaya region (Peru)* ("An Adaptation Partnership Workshop Andean-Asian Mountains Global Knowledge Exchange on Glaciers, Glacial Lakes, Water and Hazard Management", Kathmandu, Nepal, 2011/09).
- 2011 *Dynamic Resilience and Adaptive Capacity of a High Andean Pastoralism Coupled Natural and Social System: The Quelcaya case* (Selected to the GCOE-INeT summer school on "Understanding coupled natural and social systems: feedback loops between land-use and ecosystem change", in Sapporo at Hokkaido University, Japan, 2011/June-July).
- 2011 *Vegetation responses to climate change near the Quelccaya Ice Cap* (Poster. 5th Meeting of the International Biogeography Society, in Crete, Greece, 2011/01).
- 2010 *Researcher invited to the workshop Key Drivers of Food Security in Mountains* (The Mountain Research Initiative, Asti, Switzerland, 2010/04/22-27).
- 2009 *Discussant (Panel Climate Change, Permanent Seminar of Agrarian Research, Cusco, Peru, 2009/08).*

United States

- 2019 *"Pachagrama" and local knowledge for farming in the Andes* (Keynote at the Open Reblock Workshop, Mansueto Institute at the University of Chicago, Chicago, 2019/06/07).
- 2019 *Understanding multi-level institutional dynamics for responding to global change: Insights from the Peruvian Andes* (Indiana University, 2019/01/07).
- 2017 *Institutional resilience in social-ecological and political systems: Designing ethnographic, embedded, and environmental approaches at multiple levels* (Panel the Annual Meeting of the Association of American Geographers, Boston, 2017/04).
- 2013 *Pathways of Social-Environmental Transformation in Pastoral Social Ecological Systems in the Global South* (National Socio-Environmental Synthesis Center, Annapolis, 2013/05/ 24).

- 2013 *Legacies and Path Dependencies in the Multi-Level Responses of Andean Social Ecological Systems to Social Environmental Changes* (World Resources Institute, Washington DC, 2013/02).
- 2013 *High Andean Pastoral Land System Responses to Social Environmental Change* (Land Systems Science Symposium at the Annual Meeting of the Association of American Geographers, Los Angeles, 2013/04).
- 2012 *Pathways of social-environmental transformation in pastoral social ecological systems in the Global South* (The National Science Foundation, 2012/12).
- 2011 *Social-ecological pastoralist system's responses to climate change in the high Andes of Peru* (Annual Meeting of the Association of American Geographers, Seattle, 2011/04).
- 2010 *Contributing a piece to the Land Change Science (LCS) and Sustainability Science (SS) puzzle: A proposed analytical framework of Land Governance (LG)* (Global Land Project 2010 Open Science Meeting 'Land Systems, Global Change and Sustainability', Tempe, Arizona, 2010/10).
- 2008 *Contesting development: Clashing national-local political ecologies in rural Peru* (Annual Meeting of the Association of American Geographers, Boston, 2008, 04).
- 2006 *Constraints on Land Use in a Peasant Community of the Peruvian Highlands: A Case Study of the Shepherds of Pilpichaca* (Annual Meeting of the Association of American Geographers, Chicago, 2006/03).
- 2005 *Andean poverty and natural resources: Huancavelica, the poorest department of Peru* (Annual Meeting of the Association of American Geographers, Denver, 2005/04).

RESEARCH CONSULTING

2019 May-July 2019

Elaboration of a Diagnostic of the Peruvian Glaciers and High Mountain Ecosystems. Instituto Nacional de Glaciares y Ecosistemas de Montaña – INAIGEM (Peru's National Institute of Glaciers and Mountain Ecosystems).

2019 March-August 2019

Evaluating intergovernmental governing systems for the Andean Initiative of Mountains. Consorcio para el Desarrollo Sostenible de la Ecorregion Andina – CONDESAN (Consortium for Sustainable Ecological Development in the Andes).

2012-2013

Elaboration of a conceptual and methodological framework for monitoring social-environmental changes in Andean ecosystems. Consorcio para el Desarrollo Sostenible de la Ecorregion Andina – CONDESAN (Consortium for Sustainable Ecological Development in the Andes).

2009-2011

Co-PI of the research project *Facing climate change in Peru: Policy options*.

PI of the research project *History and Environmental Perspective in the Context of Globalization and Climate Change: High Andean Ecosystem's Responses to Glacier Retreat*.

PI of the research project *High Andean herders' responses to climate change in Quelcaya peasant community (Carabaya-Peru)*.

PI of the research project *Strategies of Adaptation and Risk Management Facing Climate Change in Three Regions of the Peruvian Southern Andes*.

Co-PI of the research project *Impacts of water use in asparagus agroindustry on the Ica-Huancavelica social ecological system*.

Co-PI in the research project *Rethinking national history in the margins of the state: local narratives in times of conflicts and transformation (Bolivia, Burkina Faso, Peru)*.

Co-PI of the research project *Panorama Andino for the impacts of vulnerability to climate change in the Andean Region*.

Team leader of the Productive Systems component of *Panorama Andino*.

2008

PI of the research project *Local Real Alternatives to Manage the Indirect Impacts of the Inter-oceanic Highway Project on the Peasant Communities of the Sector 4. Peru*. Ministry of Transportation and Communication.

PI of the research project *Indirect Impacts of the Inter-oceanic Highway Project on the Peasant Communities of the Sector 4. Peru*. Ministry of Transportation and Communication.

1997

Researcher of the Socio-cultural Diagnosis of the National Sanctuary of Ampay, Inka Region (Apurimac - Peru). World Wildlife Fund (WWF) and Development and Environment Institute (IDMA).

TEACHING

COURSES TAUGHT

Indiana University

G-208 Environment and Society.

G-451/551 Human Dimensions of Global Environmental Change.

International

Universidad del Pacifico

Introduction to Sociology.

Contemporary Social Thought.

Universidad Nacional San Antonio Abad del Cusco

Graduate level course: *Impacts and Adaptive Strategies to Climate Change*. Master's program in Climate Change and Sustainable Development.

Pontificia Universidad Catolica del Peru

Graduate level course: *Sustainable Development and Climate Change*. Master's program in Public Management of Water Resources.

Latin American Social Science Council and Council for the Development of Social Science Research in Africa

Graduate level course: *Democratic Renewal versus Neoliberalism: Towards Empowerment and Inclusion*, Santiago de Chile.

Instituto de Estudios Peruanos. Summer School

Cambio global y sistemas socio-ecológicos de los Andes y la Amazonia (Global change and social-ecological systems of the Andes and the Amazonia), Lima-Peru, co-taught with Kenneth R. Young.

SERVICE

JOURNAL EDITORIAL BOARDS

2020 *Ecosphere*.
2020 *Mountain Research and Development (International Member)*.
2015 *Pastoralism: Research, Policy and Practice*

REVIEW EDITOR

2018 Interdisciplinary Climate Studies (specialty section of *Frontiers in Environmental Science*, *Frontiers in Earth Science* and *Frontiers in Ecology and Evolution*).
