Diction exams are given prior to the beginning of each semester. For any exam not passed, students must pass the appropriate Jacobs School of Music diction course.

MUSIC COURSES

A total of 6 credit hours in addition to lessons, ensemble, and chamber music coaching. The minimum required grade in each course is C. The Director of Graduate Studies, who will use the following guidelines, must approve courses selected:

In general, classes chosen for the Music Course requirement should be lecture or lecture/activity courses. Applied lessons, chamber music, or ensembles will not count, with one exception: up to 2 credits in lessons in an instrument or voice that is not the student's major (such as clarinet or harpsichord) can count. Ballet and jazz dance are considered "lessons" for this requirement and therefore can only count for 2 credits if no other lessons are taken. Composition lessons are not considered "lessons" for this requirement and can be taken for more than 2 credits. Courses taken to fulfill a language requirement will not count.

Students must take courses suited to their level. For example, students who have completed a bachelor's degree, or equivalent work for a conservatory diploma, should register for music graduate courses. Enrollment in graduate review courses in music history and literature or music theory will count for students who have not

previously enrolled in the Master of Music or Doctor of Music program at IU. Prerequisites for courses must be met before enrollment is allowed.

Transfer courses may not be used to satisfy any part of this requirement.

Courses taken before the date of first enrollment in the Diploma Program may not satisfy this requirement.

Music Courses must be offered by the Jacobs School of Music, not outside departments.

PERFORMER DIPLOMA COLLABORATIVE PIANO RECITAL (MUS-I 614, 0 cr.)

Approved according to the hearing procedures for Master of Music recitals. The recital must be passed with a minimum grade of A-. The student's teacher must be present in person at the recital performance.

DIVERSITY PERFORMANCE REQUIREMENT To fulfill program requirements, performance majors must include performances of works by composers that reflect diversity of gender, race, ethnicity or other historically excluded groups. During each diploma program, students must perform a work identified as meeting this requirement. The most straightforward way for students to meet this requirement is to include diverse programming in diploma recital repertoire. However, any performance certified by the student's teacher will meet this requirement. Responsibility for assessing the suitability of repertoire to meet this requirement rests with the student's teacher, who will provide evidence of successful performance to the music graduate office.

GRADUATION

Students must complete a Program Completion Application prior to, or at the beginning of, the intended last semester. Please check with the Music Graduate Office for official deadlines and notices regarding graduation. A minimum 3.0 cumulative grade point average and good academic standing is required to graduate. Diplomas are mailed about three months after graduation. Transcripts requested about a month after graduation should reflect the completion of your diploma.

Students will be subject to all rules and regulations of the Jacobs School of Music. It is the student's responsibility to understand all academic requirements (from the *Jacobs School of Music Bulletin*).*

***Student's Responsibility:** Students have a threefold responsibility: 1) to know and satisfy the requirements stated in the *Jacobs School of Music Bulletin*; 2) to know their academic standing based on the academic standards stated in the *JSoM Bulletin*; and 3) to know and observe all regulations and academic calendar deadlines as stated in the *Schedule of Classes*, the *JSoM Bulletin*, and the student handbooks. Faculty and staff advisors assist students in planning a program of study to meet degree requirements, but students are responsible for meeting all requirements for their respective degrees and all announced deadlines.
