

Off-Campus Recital Request Form (2021-2022 COVID-19 Policy)

Recitals ordinarily take place in public spaces in Bloomington, IN. Exceptionally, with appropriate documentation and with the approval of a student's applied teacher and the director of graduate studies, a recital may be performed out of town.

Any such exceptional approval is far from guaranteed or automatic, and for consideration of a possible exception, the afore-mentioned documentation must be substantive and appropriate

For any recital that takes place off campus, the student must provide the best possible video recording of the recital to the teacher or committee for grading purposes. A quality video recording must be provided to the Music Library by the student when a Doctoral or Artist Diploma recital is performed in a non-JSoM venue.
