

List of Faculty

Indiana University Geologic Field Station

Last Revised November 1, 2004

This list includes senior faculty, directors of the field station, and Instructors in G429, G329, G111-112, and the Academic Year Institute (AYI). It is without question incomplete for the years before 1968, and may have inaccuracies for later years. It does not include any years when the listed person was a student, researcher and/or TA/AI. Please send corrections and additions to iugfs@indiana.edu.
